

Pavement improvement work at State Route 238 and Edison Avenue along State Route 347

PROJECT OVERVIEW

The Arizona Department of Transportation will be improving the roadway surface at the State Route 238 and Edison Avenue interchanges along State Route 347. Drivers should plan ahead and consider alternate routes while the resurfacing work is being done.

AFFECTED ROADS	CLOSURE BEGINS	CLOSURE ENDS
SR 238 at SR 347	7 p.m., Friday, Aug. 5, 2016	3 a.m., Monday, Aug. 8, 2016
Edison Rd. at SR 347	7 p.m., Friday, Aug. 12, 2016	3 a.m., Monday, Aug. 15, 2016

SR 347 will remain open with lane restrictions.

DETOUR ROUTES

FOR SR 238 AT SR 347:

Eastbound traffic will use Ralston Road to Farrell Road to reconnect to SR 347.

Westbound traffic will use Porter Road to Honeycutt Road to reconnect to SR 347.

FOR EDISON ROAD AT SR 347:

Eastbound traffic will use Wilson Avenue to Hathaway Avenue to reconnect to SR 347.

Westbound traffic will use Butterfield Parkway to Duncan Drive to Honeycutt Road to reconnect to SR 347.
